PROFESSIONAL SUMMARY

MCA student with hands-on experience building full-stack applications using **React, Node.js, Express, and MongoDB**. Interested in **frontend engineering** and creating **performant user experiences**.

EDUCATIONS

BMS Institute Of Technology And Management Bengaluru <i>Master Of Computer Applications</i> Master Of Computer Applications, BMS Institute Of Technology And Management, Bengaluru, 2027	2027 - Present CGPA : 8.0
St Joseph's University Bengaluru <i>Bachelor of Computer Applications, St Joseph's University, Bengaluru, GPA: 7.2, 2022-2025</i>	2022 - 2025 CGPA : 7.2
St Joseph's Pre University College Bengaluru <i>Class XII</i>	2020 - 2022 Percentage : 80.33
BGS Rural English School Chickballapur <i>Class X</i>	2019 - 2019 Percentage : 97.28

PROJECTS

Petrol Bunk Management System  Github <i>[Frontend Developer]</i> - Built a user interactive web application for recording daily fuel sales, improving record accuracy by ~30%. - Implemented real-time analytics dashboard of fuel sales and automated profit/loss calculations. - Build using MERN stack with React for frontend and Node.js and Express for backend. - Implemented CRUD operations for managing daily data using MongoDB. - Designed a secured role based login system, ensuring restricted access for manager only. Technologies / Tools Used : <i>React, Node.js, Express, MongoDB</i>	Oct 2025 - Apr 2026
Crypto Currency Dashboard  Github <i>[Individual Project]</i> - Developed a responsive cryptocurrency tracking web application using React and Next.js, enabling users to monitor real-time market data for upto 100 cryptocurrencies. - Built dynamic and interactive UI components to visualize live price charts and market trends, improving user engagement and usability. - Integrated real-time API data fetching and implemented efficient state management, reducing redundant requests and improving load performance by ~30%. - Optimized application performance with techniques like lazy loading and caching, resulting in faster page load times and smoother user experience.. - Ensured cross-device responsiveness, delivering consistent performance across desktop, tablet, and mobile platforms. - Deployed the application and handled continuous maintenance, bug fixes, and feature updates, ensuring high reliability and uptime. Technologies / Tools Used : <i>React, Next.js</i>	Mar 2026 - Apr 2026

SKILLS

Databases :	MySQL, MongoDB
Frameworks & Libraries :	React
Languages :	English, Hindi, telugu, Kannada
Programming Languages :	C, JAVA, JavaScript, SQL
Soft Skills :	Data Structures
Tools & Platforms :	VS Code, Git, GitHub

AWARDS & ACHIEVEMENTS

- Got the title of 'Kannada Ratna'.
- Best Sports person of the year 2022 from SJPU.
- Best Tennis Player of the year for 3 years (2022-2025) from SJU.
- Ranked 277 in India and 22 in Karnataka in tennis rankings.

CERTIFICATIONS

- Offline training at SQE Systems and Solutions.
